**Dear Colleagues,**

We are writing this letter to offer to you the support of Trade Union Federation of Industrial workers of Albania (FSPISH) in these hard days all over the world, but especially in Italy, caused from the spread of COVID-19 virus. We are following with a deep pain the lost lives that this virus has caused there. Our Italian brothers and sisters are passing through a tragic situation.

We are praying that all the lost lives to rest in peace and to have not anymore more death from this virus. Also we wish to the people who are touched from the virus fast recover to all of them.

The most beloved and hospitable country for all Albanian people, is recently facing this hard situation. For all of us this is a terrible pain, which has hit us right in the heart.

Italian people and Albanian people has been always united and have shown their solidarity through each other.

Our prays are for all our Italian sisters and brothers, but also for Albanian people that live and work in Italy.

God protect you all!

**General Secretary of FSPISH**
