IndustriALL Global Union congratulates Roberto Benaglia as new Secretary General of FIM-CISL

Dear Brother Roberto,

On behalf of the fifty million workers in mining, energy and manufacturing industries in 140 countries worldwide, represented by [IndustriALL Global Union](http://www.industrial-all-union.org), I wish to congratulate you on your election as the new Secretary General of FIM-CISL.

I take this opportunity as well to thank brother Marco Bentivogli for the long cooperation and to wish him all the best in his new endeavours.

As I mentioned earlier in the year at the time of the 70th anniversary of FIM-CISL, IndustriALL Global Union celebrates your long fighting tradition on behalf of metalworkers in Italy and around the world, and your firm commitment and dedication for a free, democratic and independent trade unionism. We also honour the sacrifice and staunch solidarity shown by metal workers who have provided invaluable help to the different communities badly affected by Covid-19 in Italy.

I am looking forward to working closely together with you, and I count on the vital role FIM-CISL plays in all our international solidarity actions.

Our work as trade unionists is more necessary than ever.

Long live the FIM-CISL!

In solidarity,

Valter Sanches
General Secretary
